Re: FIHS and Quality

Sharon,

I want to thank you for our continued relationship over the past year on the Fountain Inn High School Project. You, Trent, and the entire CCC team have provided exceptional service in performance of final cleaning of new construction. Since the beginning of this project, you and your staff have been prompt, professional, and courteous.

Your staff is one of the best I have had the pleasure of working with, and please feel free to use me as a reference with all potential clients. I will be happy to speak directly, as needed.

Thank you again and I look forward to working with your team on future projects.

Sincerely,

Chris Morton  
Project Manager
