Re: Thank You and Recommendation

Sharon,

I want to thank you for our continued relationship over the past year on the Michelin Offices and GSP Hangars. You and your team have provided excellent customer service in performance of final cleaning of new construction as well as routine cleaning of our project site facilities. Your staff is always prompt in arriving and completing the needed work and they are always courteous and smiling.

Please feel free to use me as a reference with all potential customers. I will be happy to speak directly as needed.

Thank you again and I look forward to our future work with you.

Sincerely,
